Dear Mr McCarthy

Re: Catherine Lodge, Worthing

Our search for a Churchill apartment began in August 2007 and was finally achieved when we reserved an apartment at Catherine Lodge in June 2011. The location was perfect, the architecture was outstanding and we were able to secure first class treatment.

Your letter dated 8th July 2011, was much appreciated and on the 6th October 2011 we had the great pleasure of being the first owner to take up residence.

We have now completed our first one hundred days at Catherine Lodge and are able to comprehend more fully why Churchill has so many awards to its name. From the time of our early enquiries we have found the level of service; product quality and value for money beyond parallel.

Churchill Retirement Living really is 'The Best of Everything put Together' and God willing we shall spend a very happy and rewarding time under the Churchill banner.

Yours Sincerely

Mr & Mrs J Burnham
