

Dear Churchill,

We are very grateful to Sales as they made our move simple and stress free and helped all along the way with all the forms we needed to complete and all the communications.

We are so happy here; it is terrific and the best move we could have made - we love the location as it is so convenient for all the shops and even the restaurants and bars.

We don't have any of the problems that were associated with our previous home and are totally settled.
